

# The Camp Experience!

Give your child the opportunity to have fun while they develop better riding skills and horse management!

The Tennessee Valley Pony Club summer camp is available to all with a horse ready to learn and have fun. Quality instruction from Developing Young Riders and National Ranked Pony Clubbers like Alex Green and Ashley Allen as well as top dressage and jumping trainers like Laura Wolf and Emilie Finstead. We will also be fortunate enough to have a national examiner, Debbie Willson, instructing at our camp. This is a great opportunity for the experienced riders as well as those more inexperienced riders.
